Shri Annadaneshwar Arts, Science and Commerce College and P.G Centre, Naregal – 582119

(Re-Accredited at "B" level by NAAC)

E –Governance Policy

Electronic Governance or E-Governance can be defined as the usage of information and communication technology (ICT) by the organization to provide and facilitate required service, exchange of information, communication, transaction and integration of various standalone system and service thereby creating transparent, paperless and automated data systems.

Objectives

1. Implementation of E-governance in various functioning of the institution.
2. Achieving efficiency in the functioning.
3. Promoting transparency and accountability.
4. Achieving paperless administration of the institution.
5. Facilitating online internal and external communication between various entities of the institution.
6. To monitor all the activities of the college.
7. To make campus Wi-Fi enabled.
8. To established a fully automated Library

Policy

1. In order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities of our functioning.
2. The institution has resolved to implement e-governance in the areas of administration, academics, finance and examinations and with this aim we have drafted the policy.

Principal

Administration

- Institute has partially MIS which help in keeping track record of teaching and non-teaching staff attendance through bio-metric, salary generation through HRMS software, student's admission, etc. with the help of university and college website information used.

Website

- In general institute website **www.sac.edu.in** will act as an information center for all stake holders and it will reflect the activities carried out inside the college. So policy is made to disseminate all the details in website like circulars, all departmental activities, courses offered, important announcements etc.

Library

- To add more and more e-learning resources for the benefit of the teachers and student's library are presently using software for its internal working and through INFLIBNET, N-LIST, e-Journals and e-Books are accessed.

Examination

- As per the direction of the university it is mandatory to fill examination forms online and also for obtaining hall tickets. Uploading of internal assessment marks are done in online. Entire process of examination is conducted under the guidance of Principal and examination co-ordinates of the college.
