Industrial Visits and Field Visits for B.Com Students

The departments organize experiential learning programmes on 27th February 2020. The first year B.Com students, faculty members and principal went for an Lakshmi Mineral waters industries visit in Totaganti Village, Gajendra taluk. They are manufacturers, the production process could be seen at the industry as well as an interaction with the officials were made possible. Students got an exposure towards industry. As for as commerce students are concerned, industrial visits provide them a practical side of the theories they studied.
