Report on IQAC Initiative One Day National Level Webinar on Indian Constitution: An Introduction

IQAC initiative IQAC Initiative and One Day National Level Webinar on Indian Constitution: An Introduction was successfully organized by department of Political Science 27th July, 2021. India is a democracy governed by a written Constitution and the rule of law. The commencement of the Indian Constitution on January 26th 1950 was a noteworthy occasion not only in the political history of India but also in the history of India's social construction. The Constitution granted protection to a large section of repressed and underprivileged persons from persistent social maladies such as social slavery, discriminations, deprivations practiced since long by the Indian society and at the same time guaranteed equality, justice- social, economic and political, free from any form of discrimination be it on the basis of caste, creed, race, religion, region and sex etc.

In this background, the main objective of the webinar would be to critically discuss and deliberate upon the Indian Constitution and Social, Economic and Political Justice: Issues and Challenges in order to develop a comprehensive understanding of the issues involved and come forth with some appropriate solutions, models, strategies and policy framework.

The following webinar schedule programme were conducted
