Textbook of Indian Constitution and Government is designed keeping in view of the new syllabus for Graduate and PG students. It covers all the course requirements. The Indian Constitution is one of the world's longest and most important political texts. Its birth, over six decades ago, signalled the arrival of the first major post-colonial constitution and the world's largest and arguably most daring democratic experiment. Students prefer to read a textbook where conceptual theories are explained along with gives them the full coverage of competitive examinations. So, there have always been a need for a book on constitution that could cater to the requirements of various competitive exams, i.e., to answer multiple-choice questions as well as descriptive questions. The same was the need for the candidates preparing for the Civil Services Examination. This book seeks to fulfil that need.

Dr. Dyavappa L. Pawar obtained his B.A. Degree from Govt. First Grade College, Kalaburgi in 2003, M.A. Degree from Gulbarga University Kalaburgi 2005, SLET in 2006 Kuvempu University, and Ph. D Degree awarded "Secularism and Indian Constitution: A Study" Under guidance of Prof. P. B. Rathod sir, Gulbarga University Kalaburgi 2020. He began his career as a college teacher. He has 11 years service teaching experience. Currently he is serving as an Assistant Professor of Political Science, Shri Annadaneshwar Arts Science Commerce College and P. G. Centre, Naregal, Dist: Gadag (Karnataka) India. His area of specialization is Political Science and Indian Constitution. He has published more than 20 research articles in peer reviewed journals of National & International importance and edited number of books. Two articles of him are being published in UGC care list journals. Presently, he is serving as a NSS Officer in the College.
