## IQAC Report – 2021 – 22

Shri Annadaneshwar Arts Science and Commerce College has constituted the IQAC as per NAAC guidelines, and it works towards the realization of the goals of quality enhancement and sustenance. The IQAC at S.A College spearheads the effective implementation of quality initiatives through continuous reviews and employs corrective measures to attain excellence in conjunction with the departments and the various forums.

The initiatives of IQAC involved the conduction of academic talks, hands-on workshops, seminars at the department level to aid in skill development and to keep the students and faculty abreast of recent technological advancements and industry practices. IQAC has taken the various initiatives for improving the quality of student-centric teaching-learning process.

During the academic year 2021-22, the IQAC has conducted meeting.

### Academic review through periodical meetings:

The IQAC conduct periodical meetings with the departments, throughout the academic year in the presence of the IQAC coordinator. The different Committee can create and conducts an academic review of all departments, collecting information on academic activities. Head of the department (HOD) meet regularly with relevant services to assess academic and administrative issues. Important questions are discussed in meetings with IQAC and Head of the department, new teaching methods and ICT use by teachers. Review of methodology for improvement in teaching and learning process. The IQAC observed the continuous improvement of teaching-learning process.

- **Academic Calendar:** Based on the University Academic Calendar the Institute schedules the academic calendar well in advance at the start of the year with ample time frame for

not only the regular teaching-learning process but also to accommodate the various events in the college like seminar/ guest lecture/ workshops and many more.

**Writing the lesson plan for each Semester:** The lesson plan is prepared by the faculty members for all the subjects they teach in that particular semester. Enriching the curriculum with guest lectures, industrial visits, and Internships

**Daily lecture Record:** An everyday faculty member prepares and submits details of the lecture along with the topic covered.

**Evaluation of teachers by students:** The institution has a feedback system to evaluate the teachers by students. The regular evaluation of the teachers by the students, feedback on teaching methodologies, course delivery, attitude, strengths and weaknesses, difficulties faced in the subject give a clear idea about the problems faced by the students. Principal and management also monitor the feedback system and takes appropriate corrective actions.

- **Student learning outcomes:** The institute monitors the performance of the students regularly. It has specified procedure to collect and analyze data on student learning outcomes; the following points are adopted by the institute in this context:

- Regular class tests
- Evaluation comprising of internal tests, assignments, and seminar presentations.
- Semester system of examination for all courses.
- Providing Lecture notes through an online portal.
- Timely Redressal of student's grievances.
- At least 75% Attendance is compulsory in each semester.
- Extra classes for weak students to solve their problems.

- **Effective internal examination and evaluation systems:** Institute maintains an effective internal examination and evaluation system.

- **Students' result analysis:** Institute has the provision of analysis of students' performance after the announcement of their semester results. If the result of the students, in a subject, is not found up to the mark, necessary steps are taken to find out the reasons and the concerned faculty members are counselled and motivated to work towards improvement.

**Use and enrichment of ICT infrastructure**

The use of ICT tools has become an integral part in teaching -learning process. IQAC always encouraged teachers to utilize these tools in academic and laboratories. IQAC prepares the plan to include the use and enrichment of ICT infrastructure expecting from each departments. The IQAC has advised the administration to enrich ICT infrastructure by purchasing advanced ICT tools, broadband internet Wi-Fi facility.

Periodically IQAC has trained teachers and non- teaching staff to use ICT by arranging different workshop i.e. Google Apps, ZOOM app, use of e-mail, handling ICT instrument etc. The educational use of social media has also been utilized to establish communication with the students. In teaching and learning, the feedback system is implemented to take the review of reliability and uses of ICT facilities.

**Report of One Day Workshop on Employable Opportunities In Commerce  
(Banking Competitive Examination) held for B.Com Students on 14<sup>th</sup> Sept 2019**

**Resource Person:** Mr. Jagannatha R, Assistant Professor, J.T College, Gadag

Banking sector of India is the strongest in the world. Banking has a great importance in developing the economy of our country. Banking has been rapidly growing and expanding in different parts of India. Banking is one of the career options that many students aspire to make a career. Banking sector is one of the best career option considered and is the respected profession in the society. Every year the Institute of Banking Personnel Selection (IBPS) and State Bank of India (SBI) conduct a Common Written Examination (CWE) for the recruitment of candidates for the probationary officer or clerical post. The Bank Clerk Exam is divided into two tiers, namely: Preliminary Exam and Mains Exam.

Currently around 7 lakh are there in the banking sector and many of them are going to retire in the next 5-6 years and so there is a huge requirement of the Skilled Human Resource. In Banking Sector you have an option either to make a career in the Private Banking or Public Banking. Bearing this in mind a One Day Workshop was held for the benefit of

B.Com Students focusing on the theme of 'Banking Competitive Examination'. The major objectives of this program were

1. To understanding the bank exam pattern and syllabus along with proper planning is required
2. To develop the candidate skills with self-confidence and practice

- 4) Increasing research publications in high impact factor journals.
- 5) Scope for starting skill-oriented courses.

## Challenges

- 1) Sustaining non-granted courses
- 2) To develop research attitude among students and teachers.
- 3) To Introduced University and UGC approved add on certificate/ diploma courses.
- 4) To reduce the student-teacher ratio.
- 5) To enhanced Linkage and collaboration with Industries and research institutes.

## Recommendations

- 1) The classroom must have interactive smart white boards and projectors.
- 2) More number of seminars and workshops are to be organized.
- 3) The library should have Inadequate UGC listed reputed journals with good impact factors.
- 4) A department needs to establish its own library.
- 5) Innovative teaching methods and techniques are used in teaching-learning activities.
- 6) Introduce job oriented short term certificate Course.
- 7) Students are kept engaged in competitions and project works.
- 8) Increase the participation of college alumni in the development of the college.
- 9) There should be a separate storeroom, preparation room, and staff room for Chemistry Laboratory.
