Policy Document On Environment and Energy Usage

The Environment and Energy usage Policy of Shri Annadaneshwar ,Arts , Science & Commerce College and PG Center Naregal is to manage energy in such a systematic way so as to minimize its impact on the environment. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out substitute natural resources as solutions to the energy crisis. This environment and energy policy is binding for all the components of the institution and applies to all its stakeholders and to the various activities undertaken by the institution. It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage.

Policies:

- To install solar panels for the generation of alternate energy.
- Turn off your monitor when you leave your table. Whenever possible, shut down rather than logging off.
- Turn off unnecessary lights and use daylight instead.
- Use LED or compact fluorescent bulbs as much as possible.
- Switch off lights, fans in conference rooms, classrooms, lecture halls when they are not in use. Avoid the use of decorative lighting.
- Use the fans only when they are needed.
- In hostels install the water heaters with non-conventional energy resources.
- To develop rain water harvesting unit.
- To reduce local air pollution emission using bicycles, public transportation and use of pedestrian – friendly roads.
- To undertaken tree plantation drive.
- To offer opportunities for employees and students to engage in initiatives which contribute to environmental protection.

This policy will be communicated to the students and employees via internal communication channels, and will be made available to all the stakeholders on the institutional website. The Environment and Energy Policy, objectives and targets will be reviewed on a regular basis by the guidance of the Principal of the college.

The action taken reports and achievement report as clear and green campus initiatives

GREEN CAMPUS INITIATIVES:

Policy Documents/ Decisions Circulated for Implementation The institution has systematically planned every procedure for maintaining its Campus green. Special committee is assigned for developing the infrastructure of organization. Well-coordinated efforts are taken for the institutional development as a part of social responsibility, maintaining eco- friendly environment is our prime duty.

1. Eco-friendly environment is maintained by planting trees and avoiding the use of plastic in day-to-day life.
2. Ample of trees, plants, and attractive vines in the institution decorate the corridors, passages, and porch and provide the rich source of oxygen
3. A dedicated full-time gardener is appointed to take care of the plants, trees and vines in the campus. The use of organic fertilizers for growing the trees is promoted.

Circular

Date : 21-10-22

Policy Documents/ Decisions Circulated for Implementation
of Ban on Plastic:

The institution has systematically planned every procedure for maintaining its Campus plastic-free' and shall strive to make their campuses by systematically banning use of plastics and replacing the same with suitable environment friendly substitutes.

- Ban use of single-use plastics in canteen, institution's premises and hostels, etc.
- Carry out awareness drives and sensitization workshops on the harmful impacts of single use plastics.
- Mandate all students to avoid bringing non-bio-degradable plastic items to the institution.
- Encourage their students to sensitize their respective households about harmful effects of plastics and make their households plastic free'
- Install necessary alternative facilities like water units to avoid the use of plastic water bottles, and encourage use of alternative solutions like cloth bags, paper bags etc., instead of plastic bottles, bags, covers, and other goods on campus

Memorandum of Understanding (MOU)

On the

Processing of Solid and plastic Waste

This MoU is between the S A Degree College, Naregal, gadag District, Karnataka (S A Degree College as the Party 1 and Naregal Municipality, Gadag, Karnataka henceforth, the Municipality) as Party 2 for the purpose of the processing of solid and plastic waste produced from S A Degree College Naregal.

VISION OF THE MOU

This MoU is for the processing of the solid and plastic waste produced as a by-product of the functioning of different laboratories and offices in S A Degree College making use of the solid and plastic waste management facilities arranged under the Municipality's waste-management plan. This is envisioned to support an environment friendly academic institution. Therefore, the implementation of this MoU will help the students as well as the neighboring society to thrive in a sustainable and eco-friendly educational atmosphere.

PLAN AND PURPOSE

1. Party 1, S A Degree College, will collect and pack its solid and plastic waste ready to be picked up by Party 2, the Municipality.
2. Party 2, the Municipality, will make necessary arrangements to come to S A Degree College and pick up the solid and plastic waste collected and packed by Party 1 at their premise.
3. Party 2 will dispose the solid and plastic waste collected from Party 1 using the former's facilities of waste management.
4. The MoU is considered functional from the date of signing
